

## **CLASSROOM CONSERVATION CODE**

- Switch off lights and electrical appliances in your classroom when not in use.
- Don't open the windows unless the heating is off.
- Put on sweatshirts before turning the heating on.
- Never leave the tap running.
- Use a refillable water bottle to drink from during the school day.
- Water the classroom plants little and often.
- Fill all the pages in your workbooks.
- Reuse scrap paper for rough work and wet play drawing.
- Recycle paper, solid plastics, glass and metals in the classroom recycling bin.
- Do not use paper towels to dry your hands.
- Save carrier bags to reuse.
- Put left over food, apple cores, banana and orange peel into the playground food waste bin.
- Choose your lunch carefully so you will eat what you have been served.
- Do not drop litter and pick up any litter you see in the playground and put it in the appropriate bin.

Thank you for helping our  
school and planet.
